

Photography Annual Report 2016-17

- This group met seven times this year. They reviewed the upcoming GCA flower shows and four members submitted entries.
- Support, creativity and increase of technological expertise were realized by attending members.
- This Committee meets the 2nd Tuesday of the month and all LMGC members are welcome. A list of the upcoming dates will be handed out with the yearbooks.
- GCA has as a goal to have individual photographs as a part of their member roster. We will work towards that goal.
