

Lake Minnetonka Garden Club
Bulb Committee Year End Report
June 2018

The Bulb Committee exceeded its goal of \$2100. Net sales from fall bulbs and indoor growing kits brought in a total of \$2410. Additionally, the assistant co-chairs introduced a spring sale of pollinator packs, adding \$591 to the bottom line, for a record net earnings of just over 3000.

For the first time, The Bulb Committee was able to accept credit cards using Square, at a nominal cost to the club, which made ordering more convenient.

A job description was written for the Bulb Committee Chairs.

Kate Bryant stepped forward and functioned as Co-Chair this past year. Kate Bryant and Barbara Burgum will do an excellent job as co-chairs going forward.

Respectfully submitted,

Sharon Hawkins
Bulb Committee Chair
