LMGC Communications

- Garlic Mustard Pull
- GCA June eNews Photo Gallery call to all members to submit June photos
- Como Conservatory Invite from St Paul GC
- Long Lake Waters Assoc Event invite

I want to thank Anne Kaufman for being a terrific resource for photos and for writing up the Hoffman workshop and exhibit paragraph.

I would advise that we continue to ask Chairs to write an outline of what they would like to share and then the Communications Chair can edit and format for the appropriate outlets. And taking photos at all meetings is a helpful resource for future communication highlights.
